

Phillro
INDUSTRIES P/L

YOUR SANITARY SYSTEM SPECIALISTS

(An SPX Distributor (WCB (Waukesha Cherry-Burrell), Bran + Luebbe, etc)
(A Graco Sanitary Pneumatic Pump Distributor)

Pumps & Ram Packages

- Pneumatic Positive Displacement Drum Pumps, Diaphragm Pumps, Priming Piston Pumps & Hydra-clean (high pressure) washdown pumps
- Electric Centrifugal, Rotary Lobe, ECP, Shear & Metering Pumps
- Pumps & Ram packages for transferring products from 20Ltr, 200Ltr, 1000Ltr IBC's, Bulk Tanks & Mixing Vessels, etc (From light oils to heavy viscosity products like peanut butter and caramel). FDA & 3A rated quick knock down pumps + inflatable ram seals on wiper plates to ensure maximum product evacuation.

Sanitary Hoses, Mixers, Valves & Fittings

- Hoses, Sanitary Valves (Manual & Actuated), Tri-Clover Clamps & Gaskets, Ferrules, Sanitary Mixers / Agitators, Sanitary Filters & Filtration Systems, etc.
- Sanitary swaged hoses (EPDM, Teflon bore, Silicone, PVC, SST Braided hoses and Silicone jacketing) for both low & high pressure applications.
- Sanitary Butterfly, Ball, Mixproof, Single Seat Diaphragm & Asceptic Valves. Quick knock down Butterfly Valves with in-built Tri-clover clamping and cavity filled sanitary ball valves.

Batch and Flow Metering & Product/Process Automation

- Batch and Flow Metering - Fluid & Dry Products
- Product/Process Automation
- In-Line flow measurement & Control
- PLC's and automation control of both Products and Processes

Fabrication, SST Tanks, Pipeline installations, Heat Exchangers, Homogenisers, C.I.P. Systems, Clean Rooms, Cool Rooms & Conveyors

- Fabrication – SST Tanks, Sanitary Spears for IBC evacuation, Custom Fabrications, etc
- SST pipelines and on-site installation
- Heat Exchangers, Homogenisers, Chillers, etc
- C.I.P. Systems – Portable C.I.P. Systems and Fixed/Ring main systems (Solvent Recovery Systems also available i.e. Recovery of Methylated Spirits, etc)
- Sanitary Clean Rooms & Cool Rooms for Food and Pharmaceutical Applications
- Conveyor Systems – Standard Sanitary Conveyors and Vacuum Conveyors
