

# GMAX and GMAX II

## Petrol Powered Airless Sprayers

### GMAX 3400

- **Endurance Pump** – no tool access to inlet valve
- **Electronic Pressure Control** – max. 3300 psi provides tighter more consistent spray pattern.
- **Single Stage Gear Drive System** – increased performance and reduced noise
- **Clutch System** – now the same as the 3900
- **Flow Through Paint Filter** – improved filtration and easy cleaning
- **On Board Manual Holder** – store all manuals with the machine
- **Chromex Rod** – for longer life
