

Complete Fine Finish Jobs Faster

Graco Airless Finishing Kit

The NEW Graco Airless Finishing Kit is designed to help you produce the highest quality airless finish on the market today! Designed to work with Graco 390-595 sprayers, this conversion kit includes all the tools you need to make short work of every fine finish job.

20% SAVINGS vs **PURCHASING INDIVIDUAL COMPONENTS**

Features:

1.5 Gallon Capacity Hopper

- Attaches to sprayer to replace suction tube
- Ideal for spraying small amounts of material
- Smooth inside surface cleans up fast
- Lid included for spill-proof portability

RAC X™ Fine Finish Low Pressure SwitchTips™ — FFLP® 210

- Industry's best finish!
- Sprays at lower pressure with less overspray
- Less prep/cleanup time due to less overspray
- Easiest pattern overlap and reduced maintenance — up to 2X life

BlueMax™ II Airless Hose 3/16" x 25'

- Increased flexibility for superior control
- Smaller length and diameter uses less paint and allows for faster cleaning
- Provides dedicated hose for fine finishing materials

BlueMax II Airless Whip Hose 1/8" x 3'

- Greater flexibility and increased maneuverability
- Reduces fatigue to provide a quality finish — especially on larger jobs

Superior Filtration

- 100 mesh Easy Out™ manifold and gun filters remove debris from coatings
- Reduces tip clogs

Airless Finishing Kit Benefits:

Industry's Best Finish at the Lowest Spray Pressure

- ▶ Greater control when working in tight areas
- ▶ Quickly spray a small amount of material
- ▶ Increased portability and maneuverability
- ▶ Faster clean up time
- ▶ Use with any Graco 390-595 for the industry's best finish
